

ART OF AWAKENING

Re-ignite Creative Solutions Visually

Draw Ideas, Change the World

#ART *of* AWAKENING

WHO ARE WE ?

Art of Awakening is a SME that provides business and communication solutions by the use of visual thinking tools, processes, and frameworks. Through graphic facilitation, graphic recording, and interactive trainings and keynotes, we provide clarity and engagement to your events and essential keynotes.

AWAKENING IDEAS WITH BURSTS OF COLOUR

The founders of Art of Awakening explore how visual recording has helped companies create learning and engagement at events.

Switched-on leaders and organisations realise that they need to find a way to create a more lasting emotional connection with the audience to create true learning and engagement at their events.

With a focus on the 'Art of Awakening'... the founders of Art of Awakening explore how visual recording has helped companies create learning and engagement at events.

OUR CLIENTS

CLIENTS FEEDBACK

Tim delivered a **VISUAL COACHING SESSION** during International Coaching Week 2018 for the ICF Singapore Chapter. Everyone I spoke to loved his **INTERACTIVE AND ENERGIZING STYLE!** Most importantly, the coaches all gained a **NEW TOOL** in helping their clients.

Lai Han Sam

PCC, Woman's Life Coach, Executive Coach, Author

Workshop boosted my **CONFIDENCE TO USE VISUAL TOOLS** as part of the service design workshop I facilitated this week. Tim demonstrated how easily small changes, templates, and improvisation can be made to **PROVIDE CLARITY FOR MY WORKSHOP CONTENTS AND BETTER ENGAGEMENT.**

Yvette Sim

Assistant Director, Innovation Accelerator at Ministry of Defence of Singapore

Tim delivered a **WORKSHOP ON "FUTURE VISIONING"**. This helped unleash creativity and anchor key learnings. Programme Participants have shared brilliantt and welcome this different and creative spin" **"EYE-OPENING AND POWERFUL."**

Catherine Mudford

Ex-Director, Executive Development, HCL

It has **INSTANTLY HELPED** MY WORK IN conducting leadership and soft skills training **WITH VISUAL METAPHORS**

Alvis Chew

Global Foundries, Principal Specialist, L&OD Employee & Leadership Development

TIM CHALLENGED US TO VISUALIZE COMPLEX IDEAS THROUGH A LANGUAGE OF SIMPLE VISUAL ELEMENTS. Making them more relatable and easier to understand

Koh Huey Bing

Director, Organisation Development, TTSH

THE FEAR OF DRAWING IS DISPELLED WITH GREAT INSTRUCTIONS, lots of practice and sharing. Makes the message simple and memorable

MJ Jennings

Director, Management, Consultant & Executive, Coach, Active Communication LTD - Hongkong and Singapore

Tim is the go to guy for visual work. He can extract the essence of a talk and put it together in a way that's **VERY COMPELLING FOR THE ATTENDEES, TRAINERS AND SPEAKERS.** He's able to bring the best every group and presentation.

Eric Feng

Founder, Charisma Academy

Tim's presentation on Visual Thinking Tools was **INSPIRING, ENGAGING,** and **HIGHLY PRACTICAL! GOOD TRAINER DEMONSTRATING** the art of using simple visual tools for **GOAL SETTING** which I can use with my teams at work.

Richard Teo

GM Fuji Xerox Singapore
